What our students say about ACADEMIC TASK FORCE courses

"My grades in school have dramatically improved since I started coming to ATF. I really liked the constant one on one help. ME + ATF = Good Grades"
Jacob (Swan Christian College)

"I gained a higher level of understanding in my mathematics. I particularly liked the friendly learning environment, approachable teachers and I made some new friends." *Megan (Leeming Senior High)*

"Having attended this course, my marks are now very good. I was getting around 50% for English and now I'm getting 70% and 80%." *Martin (St Stephens School)*

"I now understand the basic formula, how to write a proper paragraph and I have increased my writing skills. I really liked the way the teachers explain, give examples and make it easier for me." *Simran (Burrendah Primary)*

Since 1986 ACADEMIC TASK FORCE has helped over 100,000 students boost their academic results

- ▶ **Head Start Program** - Held in January for Years 7 - 12.
- ▶ **Skills Development Program** - Held in April for years 7-10 to help students revise important concepts and skills and prepare for NAPLAN testing.
- ▶ **Revision Programs** - specially designed programs to help revise ATAR course content and teach you how to maximise your results. Held in the January, April, July and October holidays
- ▶ **Weekend Classes** - Small group tutoring classes available throughout the year to provide on-going help as you need it. For years 7 - 12.
- ▶ **Master Classes** - Weekly teaching classes by expert ATAR teachers who aim to extend and teach students how to gain maximum marks.
- ▶ **Individual Tuition** - In your own home or boarding school. All ages, all areas.
- ▶ **Study Guides** - Revision questions and material to help you succeed in exams.

Why choose ACADEMIC TASK FORCE?

We are the school help specialists

Academic Task Force has worked with schools and families for 30 years. We are a WA company and are one of the longest established and most experienced education provider in Western Australia.

Our Head Start Program enables students to get the most out of their education by teaching them 'how to learn' and develop their skills.

Maximise your preparation with:

- ▶ **Learning Skills:** Learn time management, study skills, goal setting, homework strategies, how to use a diary, learning techniques and many more skills to build your confidence.
- ▶ **Persuasive Essay Writing:** Learn how to write persuasive essays. Practice skills to improve your writing that students can use for any subject, including NAPLAN.
- ▶ **Transitional Maths and English:** Recommended for students going into Years 7 and 8 as a head start in their high school studies. The class is also suitable for students who have missed learning key concepts in their early high school years.
- ▶ **Advanced Maths and Intermediate English skills:** Recommended for students going into Years 9 and 10 or high achieving Year 8 students who like to be extended and challenged by learning new concepts.
- ▶ **NAPLAN Preparation:** Familiarise yourself with NAPLAN style questions with help from specialist teachers who will help refine your child's skills in literacy and numeracy and hone in on recurring problem areas.
- ▶ **Interactive Science:** Help your child discover a love of Science with an interactive day of Science enquiry and learning engagement.
- ▶ **Computer Coding:** Set your child up for the future with a computer coding course perfect for beginner to advanced students.

Classes are small and the teachers are highly qualified and experienced.

"I am very proud of our excellent record of quality teaching and the high academic results our students have achieved"
Dr Pam Bagworth, Principal ACADEMIC TASK FORCE
