#### **What people are saying...**

- An end to the yelling and arguing!
- It saved our lives
- Simple, sane, effective
- What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember at those times when memory is the first thing to go
- I realised quickly that 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child, who later on down the line needs excessive discipline or grows out of control.
