

## GET READY FOR 2017

Do you want to help your child be ready for Term 1 2017?

Step One Occupational Therapy for Children can help.  
Enrolments for our **January school readiness groups** are now open.

### Groups available

- **Kindy readiness group**
  - Aims to develop foundation skills necessary for academic learning in Kindy. These skills include; sensory motor coordination, visual perceptual development and hand skills (eg. pencil grasp, cutting).
- **Pre Primary and Year 1 readiness groups**
  - Aims to continue to develop skills already learnt as well as teach new skills to ensure your child is ready for Pre Primary or Year 1.
- **Handwriting group**
  - For children entering Year 2 and above. This group aims to improve writing neatness, legibility, speed and endurance. Pen/pencil grasp and hand skills will be addressed as required.

### Free screening

If your child has not been assessed by an occupational therapist in the last six months, an individual free screening assessment will need to be completed prior to commencement. These will be conducted in December 2016. Call now to book your place.

### Group information

The groups are held at the Joondalup premises of Step One Occupational Therapy for Children.

The school readiness groups are run twice a week on Wednesdays and Fridays, commencing January 4<sup>th</sup> and ending January 27<sup>th</sup>. Each session is one hour. There will be 4-6 children per group.

Each session is \$45 bringing the total of the eight sessions to \$360. There is also a one off \$10 amenities fee. A \$50 deposit is required to confirm your child's place in the group. We request that the remaining amount is paid in full prior to the first session.
