

Volunteering that
fits your lifestyle.

**Impact that
lasts a
lifetime.**

**Join our growing
nationwide community
of school volunteers and
help students thrive.**

**You'll provide life-changing mentoring, classroom or learning support
that transforms the lives of young people who need help the most.**

It's something the team here at EdConnect has been training volunteers to do in schools across Australia for over 20 years, providing a vital safety net and a springboard for young people who might otherwise struggle to realise their potential, in school and life.

So, do you have a spare hour or two every week? Do you want to make a difference? If so, there's a role to suit you and your lifestyle, from one-to-one mentoring or reading and numeracy support, through to gardening, library, sports and breakfast club activities.
