CHILDREN'S BOOK WEEK 2018

FREE
ENTRY

The Wanneroo Library Service in conjunction with the Gallery and Museum will offer an engaging suite of learning experiences for all ages to celebrate the magic of literature in Children's Book Week.

The following sessions with local authors will focus on improving the quality of students' writing and the creation and appreciation of story elements. All sessions make valuable links to the educational outcomes across the Australian Curriculum and are

aimed at inspiring students of all ages to create their own story treasure.

Students will be encouraged to create, innovate and respond to stories, historical snippets and events in their own words. Inspirations for young authors can be drawn from the author workshops, the quality Australian writing on show and the fascinating historical artefacts from the rich history of Wanneroo.
