

ASHDALE CLUSTER PRIMARY ARTS

The Ashdale Cluster Primary Arts phase of learning team are proud to announce the launch of our Instagram page. As a team we are passionate about providing an opportunity for students to show their skill and creativity in the visual arts.

The Instagram page will be a forum for work completed by students at Ashdale Primary, Carnaby Rise Primary, Landsdale Primary and Madeley Primary to be showcased. We chose the Instagram platform because it provides an opportunity for family and friends to also experience the fantastic work being completed by our students regardless of where they are in the world.

We ask you to enjoy the work and participate in discussion about what the students have completed. However, we also ask that you remember we are showcasing the work of primary school children so please keep your comments positive.

You can follow us @ashdaleclusterprimaryarts

We hope you enjoy viewing the work as much as the team have assisting the students to create it
