Free! Primary School Hookin2Hockey Clinics Bookings open for First Term, get in Quick!

Whitford Hockey Club has moved to the Warwick Hockey Centre and we are pleased to offer schools in the local area free hockey clinics to introduce primary school children to the game of hockey through the Hin2H program.

These clinics can run over one or two sessions per class, with a particularly focus on the Pre-Primary to Year 4 age group, although we are happy to include Years 5 and 6. A two-day program is encouraged to building on skills covered during the first session

We supply all the equipment and good, reliable coaches to run the sessions. The sessions are run with a safety and fun focus to allow the students to experience hockey skills in an enjoyable environment.

Many schools in our area are represented in our Hin2H teams and we create teams based on schools for our Minkey (Kindy & PP), Graduate (Yr1 & 2) and Post Graduate (Yr3 & 4) teams, allowing friends to play together.

As our clinics are offered free of charge, we ask if our Registration flyer be included in your school's newsletter and/or displayed around the school. Each class (PP to Year 4) that takes part in a session is given a small flyer regarding the Club's Hin2H program.

Please complete the attached form if you wish to make a booking, giving two options. Return the completed form to the Hin2Hockey Coordinator at: Hin2h@whitfordhockey.asn.au
Looking forward to another successful year building the community through visiting local schools teaching hockey.

Kind regards

Ben Ezzy

Hin2H Co-ordinator
