

Student and Visitor Mobile Phone Policy

Policy Statement

Students from Kindergarten to Year 6 are not permitted to have mobile phones in their possession during the school day. If a mobile phone is brought to school the child must deliver the phone, turned off, to the classroom teacher where it will be placed in a locked cupboard. The phone can be collected from the class teacher again after the school siren at the end of the day.

Students who are found with a mobile phone on their person or in their bag during the school day will be required to hand the phone into the front office where the parent will be required to collect it at the end of the day. **Mobile phones held in the office will not be returned to students.**

Students are not permitted to use a mobile phone before or after school, while on the school premises, except in the case

of briefly calling a parent who is late for pick up. If students need to contact a parent, they must do so via the front office.

Parents visiting the school for roster, assemblies and class meetings should have their mobile phone on silent.

Students are responsible for ensuring their phones are taken to the classroom teacher. **The school will NOT accept any liability for the loss or theft of a mobile phone.**
