

Landsdale Primary School P&C Canteen

Bush Blues Cafe

Winter is almost here and with it brings Term 2&3's Winter Menu.
The 2020 winter menu continues to provide fresh & healthy items in line with WASCA & the Canteen Healthy Food Policy.

We're proud to provide school with a 72% green winter menu with an increase to vegetarian & halal items.

Each menu item is coded to make choosing the right items for your child easier. In continuing to support local with good quality produce, you know that your kids are eating like they would be from home.

We would also like to reassure families as we return to school for term 2, we are continuing to strive higher in all areas of our cleaning and hygiene for yours and our staff's safety. Surfaces and class baskets are cleaned continually throughout the day with increased use of gloves and contactless supply deliveries to ensure social distancing measures. Staff will be adhering to social distancing and whilst we love each of our regular volunteers, they will also stay away for the meantime. Student contact with the canteen will also be kept to a minimum with a slow start to the term.

Canteen service will be constantly reviewed and updated in line with the student numbers as they increase during the term. Please make sure you follow the P&C facebook page to keep updated regularly
