

EXPLANATION

To support your child, the Landsdale Primary School Board has endorsed the schedule of contributions and charges for 2022. We thank you for your support for your child's education.

1. Contributions

Your voluntary contributions will be used towards additional resources in the following areas: English, maths, humanities and social science, physical & health education and science.

2. Charges for Extra Optional Items throughout the Year

The indicated amount represents the maximum charges for scheduled activities in 2022. These charges are payable if you opt for your child to participate.

2.1 Apple 1-1 Program

Landsdale Primary School is committed to providing all year 4-6 students with the knowledge and skills to use technology to enhance their learning opportunities. This program involves families leasing or purchasing the latest Apple laptop or iPad for their child to use for educational purposes anywhere and anytime for three years. The choice is: purchasing a MacBook Air 256GB (\$1,350*) or an iPad 128GB (\$590*). The purchase of a hard drive (MacBook only) and cover for the device is recommended although not essential. The students use their device both at home and at school to ensure they have access to information and creative tools at time of need. Our dedicated staff seek parent feedback to guide the program each year to constantly review and improve the opportunities for our students. Order forms are available through the link on our website: www.landsdaleps.wa.edu.au or contact the school for further information.

3. P & C Fundraising Contribution

The P & C Association asks for a voluntary contribution of \$15 per student to assist them in funding additional projects to the school. The P & C continues to organise both new and annual events through the year which families can choose to support. Funds raised go towards the schools wish list in collaboration with teaching staff & special projects.

4. Items for Personal Use in the Educational Program

A resource list will be provided and the cost for these items will vary from student to student.

5. Optional Costs Non-Educational

These could include school photographs, graduation shirts and Scholastic book scheme.

* Prices as at 10/08/2021 and subject to change
