

11 February 2022

The Principal
Landsdale Primary School
19 Warradale Terrace
LANDSDALE WA 6065

Dear Sir/Madam

**WARRADALE PARK, LANDSDALE – RENEWAL OF THE EXISTING LIGHT GLOBES
ASSOCIATED WITH THE SPORTS LIGHTING TOWERS**

The City, as part of its approved 2021/22 Capital Works Program, is proceeding with the replacement of the light globes associated with the sports lighting towers at Warradale Park, Landsdale.

The works will comprise of:

- Removal of existing light globes;
- Installation of new 50 lux metal halide light globes – training standard; and
- Testing and commissioning to ensure compliance with the relevant Australian Standard.

Construction works are scheduled to commence the week of 28 February 2022 and are expected to be completed within the same week. The exact timing may vary depending upon the availability of the City's contractors and weather conditions.

During construction, temporary controls will be implemented periodically to safely manage traffic and pedestrians around the worksite.

Whilst it is inevitable that works of this nature will cause some inconvenience, every endeavour will be made to ensure that this is kept to a minimum. The City considers that this project will improve resident wellbeing and your support and co-operation would be greatly appreciated.

Should you have any queries in relation to this project please contact the City's Project Manager, Elliot Broadhurst on 9405 5896.

Yours sincerely

Vinesh Bappoo
