January Head Start Program Short Courses

6 hours per course - 3 hours a day, over 2 days

**Starting High School? We have
classes for students going into Year 7**

NAPLAN Preparation

Review NAPLAN questions with help from specialist teachers who will refine your child's skills and hone in on recurring problems.

Essay Writing

In only 6 hours learn essay writing skills that will refine your writing skills for life. You will learn how to create great essays using a structure that can be adapted to any subject.

Foundation Maths and English

Recommended for students in Year 6 going into Year 7 who would benefit from some extra help, skills development, motivation and confidence in their high school studies. The class reviews concepts learnt in early high school years.

Learning Skills

Learn how to study and spend less time studying. Improve your time management, develop homework strategies that work and many more skills to improve schoolwork.

GATE and Scholarship Exam Preparation

Recommended for students going into Year 6 or 7 in 2022 *

Your child will learn and develop their skills in reading, writing, mathematics, quantitative & abstract reasoning. The course develops student's comprehension and abilities in responding to each part of the exam with feedback on their work.
